The screenshot shows a web application interface for a data grid. The interface includes a sidebar with icons for various functions, a main content area with a table, and a bottom status bar. The table displays data for two regions, A and B, across two years (2024 and 2025). The columns are region, year, unitPrice, qty, amount, and Row Total. The table is currently showing data for region A, with a dropdown menu open for region B. The interface is dark-themed.

region	year	unitPrice	qty	amount	Row Total
A	2024	10	10		20
A	2025	20	20		60
B	2024				0
B	2025				0
